

Waiver, Release and Indemnity Agreement

In consideration for being allowed to participate in the Activities (as defined below), I hereby agree (to the fullest extent permitted by law) to the following on behalf of myself and on behalf of any minors who are under my legal care or supervision:

Release. I unconditionally release from liability and waive the right to sue **Brother in Arms Firearms, LLC**, as well as any of their respective owners, managers, instructors, employees, agents, contractors, volunteers, guests, and affiliates (collectively, "**BIA**") from any and all claims, damages, losses, injuries, or illness I may suffer or which may result from my participation in the Activities regardless of whether such claims, damages, losses, injuries, or illness is the direct or indirect result of the actions or omissions of BIA.

Assumption of Risk. I fully understand, acknowledge, and voluntarily accept the risks in the activities that are sponsored and promoted by BIA ("Events") including, without limitation, the shooting of firearms at an outdoor range (collectively, "Activities"). I understand that the Activities are inherently dangerous and that participating in them may result in injuries, illnesses, death, and economic loss. These injuries or outcomes may arise from my own or other's actions, inactions, negligence, or the condition of Events. I also understand that neither BIA nor the Events may eliminate the inherent risks in the Activities.

Indemnification. I agree to unconditionally indemnify, defend, and hold harmless BIA from any and all claims, loss or damage, liabilities and costs, including, without limitation, attorney's fees and costs, as a result of my participation in the Activities.

Representations & Warranties. I make the following representations and warranties: (1) I may lawfully possess firearms and ammunition; (2) I agree to abide by all written, video, or verbal safety rules issued by members of the Event's staff; (3) I agree to be financially responsible for and reimburse BIA for any shooting that causes damage to provided equipment, and acknowledge that my actions at the Events are being video recorded and photographed; and (4) I have no medical, physical, or mental conditions that could compromise my safety and the safety of others while participating in the Activities.
